

July 2010

Dear Sabrina ~~son~~ & Staff,

I was so pleased to purchase everything for my special day at your store. I couldn't have asked for a better look ^{at} the right price.

I love, love, love my dress, love my earrings, and love my feather hair clip, and got so many compliments. In addition, I purchased my shoes, spanx, purse, + ring bearer pillow

from your store. I will (and have already) recommend your store to awaiting brides. The small and attentive atmosphere makes the stress of choosing a dress a pleasure.

Thank you for playing a huge part in making me look + feel like the beautiful bride I knew I could be.

Regards,
Brenda Stewart Wilson →

P.S. I also used Athena +
Laura Getty ... both
awesome!!

Thanks!
