

Thank you!

Your recommendation in  
Athena was also  
great!

Dear Sabrina's,

I am so happy I gave your  
store a chance! I got my dress,  
veil, and tiara-esque headpiece  
from you for my wedding. I really  
didn't know what I was looking for,  
but as soon as my friends & family  
saw my soon to be wedding dress on  
me they knew it was the one. The  
pictures look fabulous and the dress  
has everything to do with it!

Thanks! — Larissa George
