*I couldn't have done it without you – or Sabrina Ann's!

Dear Amy:

Thank you SO much for all your help in picking out my wedding dress! I had so much fun with you and you were so patient with me.

I really couldn't have asked for anyone more friendlier or helpful. You were so sweet!

I love, love, love my dress! Here are some "before" and "after" shots. I will send you a "real" picture from the wedding. You are the best – thanks again!

Warmly,
Kimberlee Mason
