

a note to you

January 15, 2010

Dear Sabrina,

many thanks again for your help in my search for my dream wedding gown. Although I did not purchase the Vera Wang dress, I was extremely impressed by the great service you really know how to make a customer feel valued. I will continue to refer Sabrina Ann in the future. Please also extend my thanks and appreciation to MaryAnn.

Warm Regards
Elaine Delos Reyes (ElaineLynn7
